

Huskee Receptacles & Lids

Huskee Receptacles

Molded of engineered resins with seamless construction, the Huskee is a strong, long lasting receptacle used by virtually every industry. From food prep to foundries, from refuse to bio-hazard waste, the Huskee keeps on working. Stackable with lid on, nestable with lid off.

Available in a Recycle model, see page 41 for details.

For Huskee Accessories, see page 32.
