## Description

Neutral Multi-Purpose Cleaner uses a careful blend of high and low pH surfactants, emulsifiers and wetting agents to accomplish a neutral multi-purpose cleaner. It will clean oil, grease, grime, dirt, inks and most other soils, Will not harm any surface which is unaffected by water, including tile, terrazzo, porcelain, marble, concrete, enamel and metal. Will not remove or harm floor finishes. Fresh fragrance.

## Product Benefits

- Super Concentrated
- Versatile
- Pleasant Fragrance
- Use in All Water Conditions
- Safety Caps
- Color Coded

## Directions

Mix #20 using dilution station into spray bottle or mop bucket. For floors mop solution on to floor and pick up soils and cleaner in one operation. Let dry. For surfaces apply by spray and agitate with cloth. Wipe away soils.
