Product Features & Benefits

Pours through standing water / Clogged drains do not need to be emptied
Non-acid / Promotes worker safety
Non-fuming / Versatile; can be used in any drain

Directions for Use

Open carefully. Slowly pour directly into drain opening. Avoid all splashing. If spilled, clean up immediately. Keepoff aluminum, plastic and floors.

FOR CLOGGED DRAINS: No need to remove standing water. Use 1/2 bottle and allow to work for 30 minutes. If necessary, repeat operation and allow to work for 1 hour. Flush with warm water.

FOR SLOW DRAINS: Use 1/4 bottle twice, at 15 minute intervals. Flush with warm water.

FOR PREVENTING FUTURE PROBLEMS: Use 1/4 bottle weekly. Allow to stand 30 minutes. Flush with warm water.
